

ANNUAL SPRING GENERAL MEETING

June 16, 2018

Baker's Beach 10:00AM

Welcome and Presidents Message: President Fagan opened the meeting and welcomed all in attendance. He spoke about how fortunate Canadarago Lake is in that we are like a Lake Family. Everyone is so willing to help one another and if they can't personally, usually know someone who can. It is unique among area lakes.

Treasurer's Report: In Jim Marzeski's absence Ryan Fagan reviewed the highlights of the report.

New Board Member: Newest Board Member, Kellie Colf was introduced and officially voted in. Kellie will be in charge of our social media sites. Currently we have 859 followers on [Facebook](#), 219 on [Instagram](#) and 66 on [Twitter](#). Soon we will add a YouTube channel.

Golf Tournament: Our 2nd annual golf tournament is scheduled for July 13th at the Otsego Golf Course. Last year we raised over \$2,000 with the potential for an even bigger event this year. It is our hope that this event will eventually account for a substantial chunk of our annual revenue.

Annual Picnic: July 21st (with a rain date of July 28th) is our 2nd annual picnic at Baker's Beach. Once again there will be traditional picnic fare as well as live music, demos, informative booths, games and much much more. Thanks Doug and Rita Hitchcock for overseeing this event.

Lake Steward Program: This year we have 4 returning stewards who have all had professional training and work together as a team. All have been supplied with new tablets for recording data more efficiently. The stewards will be supervising CLIA's new boat washing station which was on display at our meeting. Equipment includes 1) pressure washer 2) boat mat 3) recycling Pump.
